## MISSION

The Saturday Conservatory of Music was established to provide affordable, quality music instruction to children in the greater Los Angeles area, primarily targeting children from low-income families who are school-trained music students.

## HISTORY

In 1966, music coordinator of the East Los Angeles region of the Los Angeles Unified School District, Carl Bruce with his music teacher wife, Ellen, and Robert Runge, Professor of Music Education at California State University, Los Angeles, organized the Cal State L.A. Saturday Conservatory of Music. The purpose of the Conservatory was, and still is, to provide an affordable, more individualized musical experience than is offered in public school music programs. Instrumental and vocal classes are taught in small groups by specialists who are trained music educators.
